

Location Terra Verde

Terra Verde is an award-winning gated community.

It is a beautiful development and has much to offer. Terra Verde offers a relaxing haven from the hustle and bustle of the theme parks. At the same time, it is within close proximity to all of Orlando's attractions, fantastic shopping malls and close to a number of golf courses.

There is a Grand Clubhouse with a large pool, cyber cafe, gathering room and air-conditioned gym. Outside there is a children's playground, volleyball & Tennis courts and picnic area.

The award-winning Terra Verde Resort has quickly become one of the most sought-after locations for a vacation villa rental in the Orlando area. Situated just outside Kissimmee, Terra Verde Resort is less than 10 minutes from Disney and very close to all the other attractions central Florida and the Orlando area have to offer. This "Trip Advisor" award winning resort is an idyllic retreat from the hustle and bustle of the theme parks, a perfect base for your Florida vacation.

Terra Verde Resort was purpose built as a vacation resort community with a mix of town homes and individual villas surrounding a centrally located clubhouse. It is a 24-hour manned, gated community, so the facilities are exclusive to guests staying at Terra Verde.

You can relax on the comfortable loungers surrounding the large deck area around the Terra Verde Clubhouse pool, or take a dip in the inviting blue water. If you need to unwind, why not try the spa, which has a wonderful water feature running from it down into the pool. Inside Terra Verde's clubhouse you can relax in the lounge area while the kids play on the arcade games or billiard and hockey tables.

Need to check in with family or friends? E-mail them from the internet computers in the free high-speed Cybercafé, or use them to plan a day out at Disney or another theme park.

Across the hall is the Gym and exercise room with all the popular equipment to keep fit with. If you feel like a bit of exercise in the fresh air, Terra Verde has a half-court basketball hoop, a beach volleyball court and Tennis court.

Next to this is the 'tot-lot' and children's play area, with swings, climbing frame and rock for the more adventurous ones. If this isn't enough, Terra Verde has its own lake - beautifully serene and tranquil you can walk around it and over the wooden bridge, or why not try a spot of fishing? Terra Verde Lake is stocked with a variety of fish and is a magnet for local wildlife. There is a small beach area with hammocks tied between the palm trees that gently rustle in the breeze - with a glass of your favourite drink in hand from the Tiki Bar you will find it hard to find a better way to relax anywhere!

With all this on offer at Terra Verde it is going to be hard to find a reason to leave the resort - so there is a concierge service available to help you plan a day out and they can offer

advice on the Orlando area attractions and theme parks like Disney World, Universal Studios and SeaWorld. The Terra Verde staff are dedicated to assisting guests with their Florida vacation or conference needs.

If you have children with you, then one of the great advantages of Terra Verde Resort is the safety and security it offers. This allows your kids to mix with other kids by the resort pool, games room or play areas while you have peace of mind. We all remember meeting new friends on summer vacations as kids and this is a good opportunity for them to do the same.
