

Sunshine Holiday Villa

The villa has two Master en-suite bedrooms (1 King and 1 Queen, the king suite has a 26" flat screen TV), another Queen bedroom, as well as a further three twin bedrooms (2 of the twin rooms each have a theme, Disney and Sports). The bedrooms each have cable TV and DVD players. There is also a children's TV-Games lounge/7th bedroom with a leather futon, cable TV, DVD player, CD player and X-Box 360 with games. There are also other toys and games for younger children.

The family room has luxuriously comfortable leather sofas, cable TV with a 42" Flat screen, a DVD player and a selection of DVD's. The lounge and dining room also have comfortable furniture. The Dining table seats 8 people.

The open plan kitchen is fully equipped with all up-to-date appliances (microwave, dishwasher, oven/hob etc.) including a large fridge/freezer and ice machine. There is a breakfast nook where you can eat overlooking the pool.

We provide all towels and linens (included in the price). There is a large washer and dryer with an iron and ironing board in the laundry room.

There is an illuminated pool which has private conservation views; it has a safety screen together with sun loungers, tables and chairs. The pool heating is optional but highly recommended October - March.
